It is headquartered in Montreal and has branches in almost every Canadian province serving 2.7 million clients. National Bank of Canada is the sixth largest bank in Canada and the leading bank in Quebec where it is the partner of choice among SMEs.

Its securities are listed on the Toronto Stock Exchange. Clients in the United States, Europe and other parts of the world are served through a network of representative offices, subsidiaries and partnerships.

Vision, Mission & Values

Our Vision

To be the country's number one supplier of dependable, easy-to-use, technologically advanced and easily accessible banking services. We want to be the bank that Cambodians trust to take care of all their personal and business banking needs.

Our Mission

To help Cambodia, Cambodian businesses and people build a bigger and brighter future for themselves and their country by providing highly professional, technologically advanced banking services for all.

We see ourselves as a partner of the Cambodian community as well as private businesses and individuals. We are here to serve Cambodia.

Our Values

Honesty & Respect

At ABA we make it our responsibility to treat each and every customer with honesty and respect.

Trust & Partnership

At ABA we are there to offer help and assistance. We see ourselves as partners that our customers can always trust.

Service quality

At ABA we strive to find solutions to all our banking needs. Our aim is to provide the most technologically advanced, reliable banking services to all of our Cambodian customers – be they personal or business account holders.

Contribution

At ABA we aim to make a positive contribution to Cambodia. We want to play a beneficial role in the lives of our customers as well as for the future of the country as a whole.

Sustainability & Growth

At ABA we are always thinking about the future of our Bank, the Cambodian people and the country. We show the same level of commitment to our staff as we do to our customers. It is with this approach that we ensure the sustainable growth of the Bank.

Ethics & Morals

At ABA we take our social responsibility seriously. We apply the highest ethical and moral standards to each and every thing that we do – inside and outside the Bank. It is these homegrown principles that form the basis of every relationship, with the customers and communities we serve as well as with our staff.

Payment Cards

Debit Cards

VISA

Visa, Mastercard, UnionPay and CSS cards from ABA Bank can be used at ATMs to withdraw cash within the country and overseas, and for making daily purchases. Our international cards are equipped with NFC technology, so you can tap it to pay in thousands of shops that support contactless payments. Our cards are also accepted by PayPal and can be used for online payments in major online stores. All our debit cards can be ordered and managed in ABA Mobile.

Upon free issuance, you are able to set transaction and withdrawal limits or temporarily increase the maximum limit of your card in the app. ABA Mobile also gives you an opportunity to link multiple cards to a bank account or change the card's linked account easily.

For security purpose, you can change your card PIN in the app and, if necessary, permanently close the card.

What is more, you can issue Virtual Cards in ABA Mobile and use it for convenient online shopping on any online store that accepts Mastercard, Visa, or UnionPay.

Credit Cards

VISA

ABA Bank issues Mastercard and VISA credit cards that are accepted all over the world.

A credit card gives you the possibility to use the Bank's funds when you urgently need it. The clients who open ABA

Current or Savings Account, Fixed Deposit with minimum opening amount \$3,000 are eligible to get a free Credit Card with credit limit of up to 90% of blocked deposit amount (terms and conditions apply).

POS Terminals

POS terminals of ABA Bank can make running of the business easier: the terminals allow retail locations to accept card/contactless payments and QR code payments after the terminal checks the availability of the funds on the card online. It is a simple way to increase the competitiveness and boost sales. Another benefit is lower payment transaction costs since the payment is directly credited to the company's bank account.

Online Payment

ABA Mastercard, VISA and UnionPay cards are protected with 3D-Secure protocol. 3D-Secure is designed to reduce risks of unauthorized card usage. With this technology in place, online shopping has become more safe and secure for the merchants and the customers. 3D-Secure is available for all

ABA cards while making online purchases. Make sure the online shops you are using are safe and protected by "Mastercard Secure Code", "Verified by VISA" or "UnionPay Online Payment" security systems.

Instant Card-to-Card Transfers

ABA Bank partners with Visa, Mastercard, and UnionPay International (UPI) to enable quick and secure transfers between cards right in ABA Mobile. Take advantage of hassle-free experience as you go with your preferred card-to-card transfers: Visa Direct, Mastercard Send or UnionPay MoneyExpress.

ABA Bank offers numerous money transfer services for both personal and business needs. Our established correspondent banks network and partnership with large express money transfer systems enable you to send and receive funds securely, quickly and directly to your ABA account. Now, most of the transfers are available via ABA Mobile app where customers can send funds directly from their smartphones without visiting the bank branch.

Money Transfers

International Instant Money Transfers

At ABA Bank, we also provide instant, cross border money transfer services, such as through Ria and MoneyGram, in our ABA Mobile app and at any ABA Bank branch.

Having an extensive network of 447,000 money transfer agents around the world, **MoneyGram** provides a secure way to send and receive money worldwide with no charge at the receiving end. **Ria** is an instant money transfer service with no charge at the receiving end, available at any ABA Bank branch. Ria has extensive international networks over 507,000 locations worldwide.

Domestic Transfers

Basic funds transfers between ABA and local banks via Bakong, Fast Payment and other instant transfers. Your local funds movement is convenient and quick.

SWIFT Int'l Telegraphic Transfers

Quick transfer of money to/from abroad for individual persons or corporations through ABA network of correspondent banks.

With telegraphic transfers available in our ABA Mobile app, ABA Business banking platform, and branches, your funds will be transferred to the recipient's account quickly and securely. ABA Bank SWIFT code: **ABAAKHPP**.

RemitEx Money Transfers

RemitEx RemitEx is a money transfer service for selected countries with fixed exchange rates that can be used when the sending currency is different from the receiving currency, ensuring the delivery of full amount in local currency. Ask our staff for details.

ABA Bank offers you turnkey solutions and tailored financing options to minimize or even eliminate your risks related to trade operations both within Cambodia and internationally.

Our services include Letters of Credit, Bank Guarantees, Standby Letters of Credit, Documentary Collections, advising, negotiation, post financing and discounting, Trade finance loans, reimbursement undertakings, and many other trade finance instruments.

The team of professionals experienced in trade finance and documentary operations will assist you in every stage of your export-import activities starting from the contract negotiation to money receipt.

With support of our shareholder, National Bank of Canada, we are providing modern and secure trade finance services to our customers.

Trade Finance

Letter of Credit

Letter of credit is a buyer's bank undertaking to effect payment in favor of a seller if it has fulfilled the letter of credit terms and conditions. This is the most secured and commonly used instrument in international trade finance. The ABA Bank's Letters of Credit comply with UCP600 rules of International Chamber of Commerce (ICC) and guarantee security and convenience to your export-import operations.

Bank Guarantee

Bank Guarantee is an irrevocable undertaking of the issuing bank (guarantor) to pay to the guarantee receiver (beneficiary) if certain obligations of the applicant are not fulfilled or partially fulfilled.

If you are going to sell goods but not sure about the buyer's creditworthiness, you may bear a risk of non-payment. Guarantees are designed to minimize such risks related to sale-purchase operations.

Documentary Collection

Documentary collection is a movement of documents (financial and/or commercial) between banks in accordance with the pre-defined arrangements between buyer and seller. Documentary collection is used when a seller does not want to ship the goods using Open account method, but at the same time is not able to secure risks by letter of credit or other instrument.

As compared to Open account, Documentary Collection is a more secured method for sellers.

Trade Finance Loan

Trade finance loan is a short-term working capital finance for both importers and exporters to finance their trade commitments on a transactional basis with appropriate trade documentation.

Trade finance loan can be used by ABA customers to support both domestic and international trade for pre-shipment or post-shipment based on different stages of the trade transaction.

Self-Banking Channels

ABA Mobile application

ABA Mobile is the first full-scale mobile banking app in Cambodia. It is an ideal financial tool for those who are on the go and still want to have a round-the-clock access to their accounts. You can check your balance, transfer money to anyone, pay bills without commission, issue virtual cards, open deposit/savings accounts, pay cashless by scanning QR codes at your favorite shops or even online, and enjoy other great features for free. It is secure, easy to use, and free to download on Google Play Store, Apple App Store and Huawei App Gallery.

Instant Account in ABA Mobile was designed for any Cambodian adult who wishes to access modern digital banking services to open their first ABA account right through ABA Mobile in just a few minutes from anywhere. It replaces the traditional method of opening a bank account at the branch that typically requires traveling and going through lengthy formal procedures.

Self-Banking Machines

ABA Bank has a network of 967 ATMs and self-banking machines (Cash Recycling Machine, Cash-In Machine, Check Deposit Machine and Card Machine) across the country, and the number continues to grow. With our ATMs, you can conveniently do cash withdrawals, check your account balance, and activate your new ABA card. With Card Machine, you can issue new card instantly on the spot. Our self-banking machines allow you to safely deposit cash or bank checks any time. All transactions are free of charge for ABA card or account holders.

ABA 24/7 spots

ABA 24/7 is a network of self-banking spots to provide round-the-clock and hassle-free access for our customers to perform cash deposits, cash withdrawals, check deposits and card issuance on the spot without having to visit the bank branches. Located strategically in high-traffic areas, each ABA 24/7 spot is equipped with ATM, Cash Recycling Machine (CRM), Cash-In Machine (CIM), Check Deposit Machine (CDM) and Card Machine (CM).

ABA Merchant application

ABA Merchant is part of ABA PayWay online payment platform that allows businesses to accept instant payments with their smartphones by generating QR codes or a payment link. It is the perfect application for businesses such as cafes, clothing stores, salons, social media sellers, service providers and others to collect cashless payments without any additional integration required. This application solves merchants' daily routines related to keeping sales records while reducing cash contact.

ABA Business banking platform

ABA Business banking platform offers a safe and convenient way of handling corporate finances by making cash flow management efficient and secure right from a computer. It covers all business banking needs, such as authorization and settlement of payments to suppliers or employees, checking accounts' balances and view of recent transactions, local and international money transfers, Host-to-Host solution, Virtual Accounts, and many more.

Instant Account

ABA Bank designed the Instant Account in the ABA Mobile application for new-to-bank customers. With this

feature, you do not need branch visits, waiting in queue or dealing with paperwork. Any Cambodian with a valid National ID card can open their first ABA account right through ABA Mobile in just a few minutes and experience a whole new level of modern digital banking!

With Instant Account, you can immediately check your account balance, open deposit/savings accounts, get instant loans, order plastic cards or issue virtual cards, receive and transfer funds within Cambodia, settle bills and do mobile top-ups, make cardless cash withdrawal at ATMs, pay cashless with ABA PAY, and receive notifications on every transaction.

The Instant Account can be replenished easily via any Cash-In Machine (CIM) and Cash Recycling Machine (CRM) of ABA Bank, by receiving funds from another ABA account, or e-wallets supported by ABA Bank such as Bakong, TrueMoney and Wing.

ABA PayWay

ABA PayWay is the online payment platform developed for e-commerce and social media businesses in Cambodia.

The platform can be accessed via the ABA Merchant app and PayWay portal available at payway.com.kh.

The ABA Merchant app is ideal for small businesses as they can accept cashless or online payments by generating QR codes or a payment link right in the smartphone. The application simplifies the daily routine of keeping sales record and accepting payment.

For businesses that require more control of transactions and access to additional features, the PayWay merchant portal will be more suitable to offer the best conditions for integration. It provides more flexibility as well as data on your business transactions.

We developed the ABA PayWay online payment platform with you in mind and can offer the best conditions for integrating it with your business.

ABA Business

ABA Business banking platform offers a safe and convenient way of handling your company's finance by making cash flow management efficient and easy just right from your computer.

With ABA Business, you can manage accounts or open deposits for your business while monitoring all subsidiaries' business accounts under one parent account, transfer funds between own accounts and to other banks locally and internationally, pay bills and vendors by setting up payment templates for recurrent expenses. If you are our loan customer, you can easily make your business loan repayment with ABA and get reminded on the next settlement.

We also provide payroll service that allows to pay your staff salary with great convenience while reducing business costs, eliminating paperwork and improving security. As a part of the payroll service, we issue debit cards at discounted rates for your employees to provide an instant access to their funds through our ATM network, as well as making payments and online purchases.
